Message from the CEO: Empowering Youth for Tomorrow

Sapna Moudgil
CEO - NIT Foundation

The emergence of futuristic skills has redefined today's youth's job market and career prospects. Employers increasingly seek candidates proficient in areas such as artificial intelligence (AI), data science, cybersecurity, and digital marketing. As automation and digitization reshape industries, traditional skills are being supplemented, if not replaced, by these futuristic competencies.

We believe there are 3 futuristic skills that will empower youth to succeed in this changing skill landscape:

- Ability to harness the power of data - to understand, analyze, and interpret data to enable individuals to make informed decisions and derive actionable insights.
- Ability to leverage advanced technologies like AI (Artificial Intelligence) and ML (Machine Learning) – to use what is available to do our jobs better, faster, and more meaningfully.
- Communicate and Collaborate in digital ecosystems – to learn and adapt to new technologies and diverse digital environments.

In this context, the NIIT Foundation is focused on equipping youth with futuristic skills for their future livelihood. For example, to fill the skill gap in our Digital Marketing students when asked to create digital content, we are teaching them how to use Generative AI like ChatGPT to create meaningful English language content. Training modules on Cyber Security, Data Analytics, and AI are offered to students to improve their chances of getting selected in top organizations.

> ***With thousands of candidates vying for the same position, presenting oneself uniquely becomes imperative. A robust resume or relevant coursework in the field can set one apart. I am grateful to have enrolled in the Cyber Security course offered by NIIT Foundation & Cisco, which has enabled me to secure a prestigious position at a reputable company. Here, I have the opportunity to collaborate with experienced professionals, further enriching my career journey.***
>
> **-Ronak Sharma,**
> **A beneficiary From**
> **The Cisco Cyber Security Program**

NIIT Foundation is committed to expand access to quality education and training, scaling up innovative initiatives, and forging strategic partnerships to amplify impact. We would love to partner with like-minded organizations to reach this goal.

Cover Story: Youth Empowerment and the Futuristic Skills for Livelihood

In an era defined by rapid technological advancement, the imperative of equipping today's youth with the skills to thrive in the evolving job market has never been more pressing. NIIT Foundation stands at the forefront of shaping a cohort of young individuals armed with the futuristic skills necessary to conquer the challenges of tomorrow. From cutting-edge digital and financial literacy programs to fostering creativity, innovation, and entrepreneurship, NIIT Foundation is not just preparing the youth for the future – it's propelling them towards becoming the trailblazers of tomorrow's dynamic industries.

Youth Empowerment and Futuristic Skills

The youth serves as the driving force behind societal, economic, and technological advancement, underscoring the significance of equipping them with the tools for success. This involves not only imparting traditional foundational knowledge but also nurturing specific skills aligned with the demands of the future job market. Embracing domains such as artificial intelligence, data analytics, digital marketing, and entrepreneurship sets the stage for the youth to pave their path to success and undertake leadership roles in the future.

NIIT Foundation's Transformative Role

NIIT Foundation cultivates a generation equipped with skills for the future. It offers comprehensive digital and financial literacy programs for students at various levels. The organization focuses on tech-forward initiatives, introducing cutting-edge technologies and futuristic skills. NIIT Foundation ensures students are job-ready and positioned for sustained career growth. It integrates programs that foster creativity, problem-solving skills, and adaptability to change. These initiatives also provide aspiring entrepreneurs with knowledge and skills for starting and running a successful business, alongside emphasizing financial literacy for personal and professional advancement.

Integrated Approach to Skill Development

Through project-based learning, exposure to real-world industry challenges, and hands-on technology skill development, NIIT Foundation ensures that its programs cover a spectrum of technological competencies.

From basic computer literacy to advanced coding and software development, these initiatives prepare students for the demands of the evolving job market. The integrated approach creates a well-rounded educational experience for the youth, positioning them as innovators in their chosen fields.

The transformative power of technology is central to NIIT Foundation's efforts, which place a strong emphasis on digital literacy and technology skills. Through a comprehensive focus on futuristic skills NIIT Foundation ensures that the youth are well-prepared to not just adapt to, but also lead, the transformative changes shaping the future job landscape. This holistic approach positions them to assume leadership roles and drive impactful advancements, underscoring the foundation's commitment to propelling the youth towards a successful and fulfilling future.

Featured Partner: NIIT Foundation's Impactful Partnership with Spark Minda Foundation

Praveen Karn
Group Head CSR
Spark Minda Group

Community development lies at the heart of Minda Corporation Limited, and the partnership with NIIT Foundation has been pivotal in realizing our shared vision. The relentless dedication of NIIT Foundation towards community empowerment, aligned with our values, has been an inspiration.

The Tally Certification programme, an enriching collaboration, stands as a testament to the transformative impact achievable through strategic partnerships.

NIIT Foundation's digital platform has been a game-changer, providing our students with not just skills but a gateway to promising career avenues. Its user-friendly interface, coupled with other resources, has enriched the learning journey for our students.

The job search functionality within the portal is a remarkable asset. It not only streamlines the post-certification journey but also empowers students to align their skills with suitable employment opportunities. The integration of job scheduling and application tracking underscores NIIT Foundation's commitment to holistic student development.

The support from NIIT Foundation has been unwavering and instrumental in propelling our students of Aakarshan Skill Development Programme towards successful placements. This collaborative effort has not only facilitated seamless learning but has also opened doors to countless employment opportunities, truly making a difference in the lives of our students.

The collaboration between NIIT Foundation and Spark Minda Foundation fosters skill development and creates pathways for a brighter future. Through our Aakarshan Skill Development Programme, we have reached to more than 14,000 people and in terms of our Computer and Tally course, we have reached to more than 5,000 people. We are immensely proud of the impact this partnership has had on our community and look forward to continued success together.

Beneficiaries Speak: Empowerment Through Futuristic Skills

Name: Amit Kumar Das
Course: Data Analytics

Growing up amidst the bustling streets of Kolkata, with a father working in the medicine feild and a nurturing homemaker mother, I imbibed values of resilience and determination from an early age. After completing my B.Com Honors degree from Acharya Jagadish Chandra Bose College, I encountered a setback with a backlog.

However, I refused to let this obstacle hinder my aspirations. Recognizing the immense potential of data analytics in driving innovation and progress, I made a pivotal decision to enroll in a comprehensive course jointly offered by NIIT Foundation and NASSCOM Foundation. My aim was clear – to equip myself with the futuristic skills needed to thrive in today's rapidly evolving digital landscape.

Throughout my journey, I embraced the challenges with unwavering determination, immersing myself in every aspect of the course curriculum. My dedication bore fruit when I was offered a position at Technocon, a prestigious company renowned for its groundbreaking advancements in technology.

Reflecting on my path, I am grateful for the transformative power of futuristic skills in shaping my journey towards success. It is through the acquisition of these skills that I have been able to navigate the complexities of the modern business world and carve out a rewarding career path for myself.

Name: Pankaj Nathbua
Course: BPO

As a 26-year-old from Dhule, my journey to Pune in pursuit of career opportunities was fueled by big aspirations. Despite the challenges of growing up in a village with limited educational resources, I remained hopeful and determined.

Thanks to my sister, who introduced me to NIIT Foundation in Hadapsar, I embarked on a path of skill development aimed at shaping my future. The practical sessions not only equipped me with essential life skills but also provided insights through Change Maker Life Skills Sessions, enlightening me on the pursuit of personal happiness in life.

Participating in the Working Together sessions further honed my teamwork skills and instilled in me a positive mindset. Additionally, enhancing my computer proficiency, communication abilities, and Excel proficiency through practical application sessions expanded my horizons and inspired my friends to join me on this journey.

I successfully secured a position as an Operator at Oppo Mobiles Company with a monthly salary of 12,000 INR and PF benefits, marking a transformative moment in my life. I am deeply grateful to NIIT Foundation and my trainers, whose unwavering guidance have played a pivotal role in shaping my journey towards a brighter and more prosperous future, driven by futuristic skills and aspirations.

Volunteering with Impact

David Livingston G
NIIT Ltd

It was a privilege to volunteer alongside NIIT Foundation at the Gurgaon Center. I had the opportunity to conduct a **Career Guidance Training Session** where we drew from our professional experiences to shed light on the workings of **Business-to-Government** (B2G) Projects. The group discussions that followed were insightful. Through this collaborative effort, we were able to create a dynamic learning environment that encouraged engagement and participation. It was truly a rewarding experience, and I am grateful for the opportunity to contribute to the professional development of young students.

Ashwin Agarwal
Phi Robotics

Being a volunteer with NIIT Foundation for the **English For Jobs** P**rogram** online at the Rangpuri Center has been an incredibly enriching experience. These students surprised and inspired me with their determination and eagerness to learn. During one session, I was particularly impressed by the insightful views shared by a student. It reminded me of the Self Discovery and Awareness Model, commonly known as the Johari Window, introduced in the 1950s. The student's understanding of the open, blind, hidden, and unknown arenas showcased a level of introspection and maturity beyond their years. I am beyond grateful for this opportunity to contribute to the growth and development of these bright young minds.

Jaswant Singh
NIIT Ltd

Volunteering at the NIIT Foundation's Gurgaon Center provided me with invaluable insights and experiences. Our **Career Guidance Training Session**, fueled by our diverse professional backgrounds, delved into the intricate dynamics of **Business-to-Government** (B2G) Projects, revealing layers of complexity and opportunity. As we navigated through these discussions, it became evident that true growth stems from collaborative exploration and shared learning. Witnessing the active engagement and exchange of perspectives among participants underscored the profound impact of collective wisdom and community spirit. I am deeply honored to have played a role in this uplifting experience.

NEWS & EVENTS

Wisdom in Action: Rotary District Conference Highlights

We had the opportunity to participate in the District Conference organized by Rotary District 3011 at Taj Vivanta, Faridabad. During the event, Charu Kapoor, Country Director, shared profound insights and wisdom on topics such as Skilling, Entrepreneurship, and Micro-Financing. Her focus on the importance of life skills, especially for women, brought a significant perspective to the discussions.

Paving the Way to Success with Angel One

With generous support from Angel One, a successful certification ceremony was held for over 100 beneficiaries. Ms. Shefali Hasija, Head CSR at Angel One, and Ms. Sapna Moudgil, CEO of NIIT Foundation, graced the event as chief guests. Their inspiring speeches encouraged students to strive for excellence and develop essential life skills for personal and professional growth, fostering financial independence and contributing to the nation's progress.

Bridging Futures with Standard Chartered India

The Disha - Change Makers initiative, a partnership between NIIT Foundation and Standard Chartered India, has established Career Development Centers across Delhi NCR, Maharashtra, Karnataka, and Bihar.
These centers provide IT and Banking, Financial Services, and Insurance (BFSI) courses, aiming to empower 1000 students from disadvantaged backgrounds with essential digital skills for employment in formal sectors.

Change Maker Conclave: Social Evils

On Youth Day, the Sahibabad Center, supported by Tata Steel Foundation, organized the "Change Maker Conclave: Social Evils," engaging 30 students.
The event served as a platform for profound discussions on diverse social challenges, with participants proposing innovative solutions.

Breaking Boundaries: HP ALFA's Remarkable Milestones

During quarter 4 (January - March 2024), project HP ALFA accomplished notable milestones, making a profound impact on numerous beneficiaries. We facilitated 60 volunteering sessions, coordinated 1500 school activities to enhance the learning environment for students, and expanded our efforts to empower 551 teachers with essential skills. Furthermore, 8618 students completed their training programs.

Certificate Ceremony at SKV Chhawla, Najafgarh

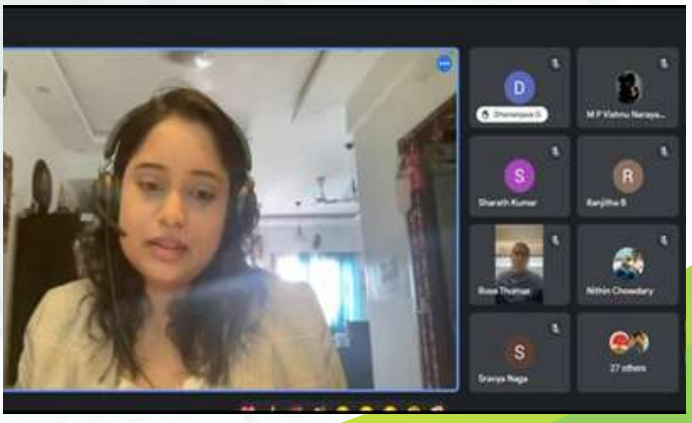
Under the Delhi Aviation Fuel Facility Pvt. Ltd (DAFFPL) School Project, a Certificate Ceremony was conducted at SKV Chhawla, Najafgarh, honoring over 150 students in Phase 1.
The event was attended by Mr. Vishvajit (CEO), Mr. Soumyabrata Bhattacharya (CS), Mr. Ankur Chugh (CSR Coordinator), and the Vice Principal.

A Visit to Pace Setters Business Solutions Pvt Ltd

As part of the Angel One sponsored program, 16 students embarked on an industry visit to Pace Setters Business Solutions Pvt Ltd in Moti Nagar, New Delhi.
Mr. Yash, HR Manager at Pace Setters, provided an insightful overview of the company's work culture during the visit.

Unlocking Potential: Virtual Sessions by Nasscom Foundation

In collaboration with Nasscom Foundation, impactful virtual sessions were conducted in Karnataka and Kolkata, benefiting over 58 participants.
The sessions delved into crucial topics such as Data Analytics and advanced Technologies which fostered a dynamic learning environment, enabling participants to deepen their understanding and enhance their skills.



Health and Hygiene Awareness Session for 86 women of Tipperpur

In Tipperpur, Dehradun, the Indus Towers Digital Transformation Van hosted a video session to enlighten 86 women on essential health and hygiene practices.
Through interactive features and visual aids, the session aimed to equip women of all ages with valuable knowledge, fostering empowerment.

Role Model Development Session with Sonata

In collaboration with Sonata, a dynamic leadership development session was conducted at the Career Development Centre in Yelhanka, Karnataka, empowering over 102 individuals.
The session covered essential topics such as Job Application Strategies, AI-driven Application Techniques, Resume Analysis, and more, providing valuable insights and skills for professional growth.

Empowering Students under Cyber Suraksha Mission

Under the Cyber Suraksha Mission, supported by CISCO, a dynamic cybersecurity awareness workshop unfolded for over 200 talented students from Government HSS MLB School and Government Women Polytechnic College, Chhindwara.
They gathered to delve into the realm of cybersecurity, enhancing their knowledge and skills in this crucial domain.

Empowering Entrepreneurs in collaboration with BYST

NIIT Foundation in collaboration with Bhartiya Yuva Shakti Trust (BYST) organized an extensive cyber awareness program in Faridabad, specifically designed for 60 emerging entrepreneurs from the northern region.
The initiative aims to equip them with essential cyber security skills.

National Productivity Day Celebration with DXC Technology

With the generous support of DXC Technology, 35 youth and children from Kapashera Village enthusiastically commemorated National Productivity Day.
The event aimed to foster awareness about the importance of time management and nurturing a skilled workforce for the nation's future.

Nurturing Curiosity in Ghansoli, Mumbai

With the support of Atos Prayas Foundation, our visit to We Need You Society in Ghansoli, Mumbai allowed us the honor of interacting with children enrolled in a digital literacy course.
Their inherent curiosity about computers and enthusiastic dedication to learning made a profound impact.

Cyber Awareness Training Session at Delhi ITI

Through the joint efforts of NIIT Foundation and CISCO, an exceptional Cyber Awareness training session unfolded at Delhi ITI on Jail Road, engaging over 140 enthusiastic students.
The session provided a deep dive into the realm of cybersecurity, fostering knowledge and awareness among participants.

Certificate Ceremony at Yelahanka, Bangalore, Karnataka

An incredible placement drive was held for the Sonata AI and IT Essentials students, supported graciously by Sonata Software in Yelahanka, Bangalore, Karnataka.
Out of the 75 talented students, 31 students have been selected and we are immensely proud of their accomplishments.

APN News

NIIT Foundation And Cisco Train 5 Lakh Students Through Its Cyber Suraksha Program

NIIT Foundation, in collaboration with Cisco announced the successful completion of the training for over 5 lakh individuals in cybersecurity through their Cyber Suraksha program, in the last two years. The major milestone was commemorated through a special event, attended by esteemed dignitaries, including Dr. Sanjay Bahl, Director General, Indian Computer Emergency Response Team (CERT-In).

The Cyber Suraksha program, a collaborative effort between the two originations, addresses the escalating concern of cyber threats by empowering citizens with the necessary knowledge to recognize and respond effectively to such challenges. Through this initiative, individuals are equipped with the tools and strategies necessary to safeguard themselves in today's digital-first environment – with training sessions on online payment/banking processes and submission of documents, with emphasis on cybersecurity by raising awareness on phishing, malware, and other forms of cyberattacks.

Talking about the importance of the program Dr. Sanjay Bahl, Director General, Indian Computer Emergency Response Team (CERT-In) said "The "Cyber Suraksha" program by Cisco and NIIT Foundation is a very important step in filling the Cyber skill gap and addressing societal problems. The Cyber Suraksha program focuses on creating both Cyber Awareness and contributing to the Cyber Workforce. Additionally, the program promotes inclusivity and accessibility by ensuring that 40% of the individuals impacted are women. We need many such initiatives to make our nation more Cyber Resilient."

Leading the efforts of the team and enrolled students, Mr. Harish Krishnan, Managing Director & Chief Policy Officer, Cisco India & SAARC, noted, "We're proud to mark a significant milestone in our Cyber Suraksha initiative, having equipped 5 lakh individuals with critical skills to safeguard against online threats. Through collaboration with the NIIT Foundation, we've not just empowering individuals but also fortifying the very foundation of our digital society. As we forge ahead, we remain steadfast in our mission to foster a secure digital ecosystem and drive positive change in our interconnected world."

CAREERS 360

NEW DELHI: NIIT Foundation and Cisco have trained over five lakh students in cybersecurity through their cyber Suraksha programme in the last two years. The programme aims to address the growing concern of cyber threats by equipping citizens with the knowledge and skills to identify and respond to them effectively.

The programme will empower individuals with the essential tools and strategies necessary to safeguard themselves in the current digital-centric environment, as per the foundation. The programme includes training sessions covering online payment, banking procedures and document submission, with a particular focus on cybersecurity. It raises awareness about phishing, malware, and various forms of cyberattacks.

Talking about the importance of the programme director general of the Indian Computer Emergency Response Team (CERT-In) Sanjay Bahl said, "The cyber Suraksha programme focuses on creating both cyber awareness and contributing to the cyber workforce. Additionally, the programme promotes inclusivity and accessibility by ensuring that 40% of the individuals impacted are women."

It is imperative to teach today's youth the principles of digital ethics for a hyperconnected world. | Photo Credit: freepik

As schools, colleges, and universities transition to online learning platforms, the way students learn and interact has been transformed. According to a report by the Institute for Governance, Policies and Politics on the "Patterns of Internet Usage Among Youth in India," over 85% children have a smartphone of their own. They have never known a world without the Internet, smartphones, and social media. Therefore it is imperative to teach them the principles of digital ethics for a hyperconnected world.

Performance Area FY24

Over **1.9 million** students certified in NF programs
Over **56,998** beneficiaries became financially literate
Over **71,924** children benefitted through HiWEL Stations
Over **74,181** students successfully placed in jobs
17 New Centers set up (CDC & DLC)
Over **1,198** hours of volunteer effort to help students
